# Pumpkins, Pumpkins

by [www.theteachersguide.com](http://www.theteachersguide.com)

Pumpkins, pumpkins  
all around,  
big and small  
oval and round.

Picking a pumpkin  
is so much fun,  
but how can I  
choose just one.

I search the patch  
from left to right,  
under stems and leaves  
tucked in tight.

What is this  
that I spy,  
from the corner  
of my eye.

Just the right size  
nice and round,  
the perfect pumpkin  
I have found.
